Let the Celebrations Begin

This is Renewal Choir's first Christmas Concert since corona virus lockdown reduced the opportunity for us to come together in concert and connect with those we want to share our passion and joy . The audiences will be treated to an uplifting, dynamic soul stirring production entitled "Time to Rise". Where Rise is a mnemonic which stands for:

Reflect

Inhale

Sing-out

Enthuse

The choir are thrilled to share an evening of heart lifting gospel music with you as Clinton Jordan, our event compere and guest vocalist , steers the audience through and experience we pray will set you for the Christmas season and well beyond into the new year.

"One day, I discovered I could use my voice through singing, and because of my passion for singing and changing lives, I can help others find the one thing we were not taught in school to use—our voice"

Clinton is a man on a mission and his mission is focused and simple, "To help people find their voice to improve their mental health, wellbeing and motivation." Clinton sees motivation is at an all-time low and society is desperate for inspiration. He believes our voice is the key to inspire and be inspired.

Whatever your starting point at the start of the evening, with Clinton at the "wheel" we will all experience a journey of connection or reconnection with the power of our voice as we RISE Together.

Thanks

First and foremost we give thanks to God for the vision, inspiration and joy that comes from singing gospel music and for the awesome choir organisation that we have come to know as the “Renewal Family”.

We also want to say a big thank you to our compere and guest artist Clinton Jordan who made great efforts to be a part of this special event. We pray you will continue to use your passion for singing and your desire to execute with excellence as you encourage and inspire others to RISE and find their voice.

Big Thanks to our musicians:

Keyboards: Philip Barclay (MD), Leeroy Adams

Guitar: Lester Freckleton

Bass Guitar: Eddie Campbell, Howard (Paul) Howell
